

## “THE GOOD FIGHT” Discussion Questions

### Episode 5: The Good Fight

The finale of the title fight and our series. David and Tayo battle through 12 rounds before someone delivers a knockout punch. Years later, David shares his testimony with a youth group.

1. So often in life, we only focus on the **big, monumental moments** and decisions. In the montage, we see that each big fight is a reflection of all the little moments along the way. Because of the **small choices** that David made throughout his life, he was able to stay in the big fight. **Luke 16:10** *“He who is faithful in what is least is faithful also in much.”* What are things that you consider little, that God might consider big?
2. Before Round 12, Coach challenges David’s perspective. David focuses on Tayo’s skills, but Coach says, **“Tell me something true.”** The implication is that what David said isn’t true. (*“he’s like a robot, he doesn’t stop”*) What is the difference between truth vs. our opinions?
3. David shares with the youth group, “I fought for **revenge**, I fought for **approval**.” What do you find yourself fighting for outside of the Lord?
4. Not every fight is a good fight. *“(It) isn’t about swinging your fists at people or problems. It’s about **getting back up**, even when the world tells you to stay down. It’s about **knowing you’re loved**, even when the lies scream that you’re worthless. It’s about **choosing integrity**, even when no one is watching.”* Which of these speaks to your fight the most? Getting back up? Knowing you’re loved? Choosing integrity? Something else?
5. *“If you’re fighting- fighting to believe **you’re enough**, fighting to **stay clean**, fighting to **hold onto hope**- you’re not losing, you’re in the good fight. And believe me, **He** has already won.”* What is the fight you need to get back up with? What fight do you need to remember that Jesus has already won?
6. What do you think? **Did David win?**
